## Leslie Whisper

**BELVEDERE VODKA, CLARIFIED TOMATO JUICE, CLARIFIED BASIL  
& CUCUMBER - LEMON & LYCHEE CORDIAL**

Leslie Whisper is inspired by a classic cocktail, reimagined with a modern twist that highlights the art of clarification. The process enhances its crystal-clear appearance while preserving the vibrant freshness of cucumber and basil.

Delicate floral notes of lychee bring elegance and softness to the profile, while coriander and pink peppercorn add layers of complexity and a subtle, aromatic spice. The result is a beautifully balanced cocktail—fresh, refined, and intriguingly complex.

## Cristal Mary

**BELVEDERE VODKA, ANCHO REYES CHILES LIQUEUR, TOMATO &  
LEMON JUICE, WHOLE MILK, OLIVE BRINE, BLOODY MARY MIX**

The Cristal Mary is a crystal-clear, milk-clarified reinterpretation of the Bloody Mary that delivers all the savoury depth of the classic in a refined, elegant form. Belvedere vodka and smoky Ancho Reyes are layered with bright tomato, fresh lemon, and olive brine, then clarified for a silky texture and polished finish. Deceptively delicate in appearance yet bold in flavour, it's smooth, subtly spiced, and memorably sophisticated.
